

“Remember: Seven years later, NOT ONE ATTACK on American soil!”

- RUSH LIMBAUGH

“America’s chickens are coming home to roost!”

- REV. JEREMIAH WRIGHT

Remember 9-11 with Resolve!

REMEMBER the victims, their families and our heroes who have kept America safe for 7 years!

For 7 years, America has had Al Qaeda on the defense and our country has been safe from attack!

RESOLVE to keep America free from evil at home and abroad!

Wherever evil rears its ugly head ... in the Middle East or in the pulpit of a radical church in America, we must strongly resolve to say, “Never again!”
