

“Barack Obama FINALLY does what he should have done years ago ... RESIGN from the Trinity Church!”

– ROGER L. SIMON

“I’m not denouncing the church and I’m not interested in people who want me to denounce the church!”

– BARACK OBAMA / ON RESIGNATION FROM CHURCH

**“This was one I didn’t see coming!”
Barack Obama**

**20 years later ...
Obama FINALLY quits
his racist church!**

*Political expediency ...
Obama only quits church
when the controversy blasts
his political campaign!*

**If he couldn’t see or
hear racism in 20
years, will Obama be
able to recognize evil
in terrorists?**

*Obama’s lack of judgement
proves he’s unfit to be
President of the USA!*
