

“The media has been selling us on fear and recession for months maybe years now ... they selling, selling, selling fear.”

– BEN STEIN

“Tell people life is going to be bad, they're going to make their decisions to tighten their wallets, stop spending their money and then life will be bad!”

– PETER SHEAHAN

“The sky is falling! The sky is falling!”

Is the liberal media's doom & gloom on the economy aimed at electing Democrats?

When all you hear is bad news, how long before panic sets in?

Fanning fears of recession is as crazy as greed that inflated housing prices!

New poll: majority of Americans see economic turnaround and 83% are confident of improving their standard of living!
